**Are Your Loans protected if you become disabled?
Would Credit Insurance help protect your family?**

You may plan to get a loan to purchase a home, pay for college, or buy a car someday, wouldn't it be great to feel secure that if you were to become disabled your loan would be covered. With so many unexpected illnesses and even death happening these days wouldn't it feel good to know that your loan is taken care of in the event of your death? It's not fun to think about but it's a reality.

We have a solution for all of that! When you open a new loan with us we offer life and disability insurance for the life of your loan. It gives you a piece of mind knowing that in the circumstance of disability or death you will be covered.

It is low cost and is added to your monthly payment so you don't even have to think about it. If you have any questions please give us a call.

We would like to congratulate the following for winning the coloring contest held during "National Credit Union Youth Week":

Carter, Jagger, Mikala and Ian !

Thank you to all who entered the contest; every picture received was fantastic!

Introducing our New

Skip-A-Pay

Loan Extension Program

Skip-A-Pay allows a member to not pay their loan payment for a given month and to instead add that payment to the end of the loan and extend the original term of the loan by a month.

You can find out more information on this new program by clicking on the link on our website, giving us a call, or simply stopping by to see us.

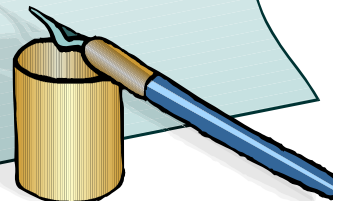

A form must be filled out and turned in for approval along with a \$25.00 charge. Print the form out from our website or come into the credit union to get one.
