Why do 208 million people worldwide choose credit unions? Because credit unions constantly push to make their communities better places for their members worldwide. On October 16, 2014, join credit union members around the globe in celebrating International Credit Union Day<sup>®</sup> and experience the credit union difference. Visit us at LeRoy Federal Credit Union for refreshments and celebrate with your fellow member owners!

**Your generosity at work!**

We'd like to thank our members for donating to the Backpack Project! We were able to send \$250 to the LCCP for this cause!
