## Need extra cash for summer fun?

Check out our Skip-A-Pay  
loan extension program!

Skip-A-Pay allows a member to not pay their loan payment for a given month and to instead add that payment to the end of the loan, extending the original term of the loan by a month.

You can find out more information by clicking on the link on our website, giving us a call or simply stopping by to see us.

A form must be filled out and turned in for approval along with a \$25.00 charge.

Print the form out from our website or come into the credit union to get one.
