Keep your Year-End Statement for Tax Time

Would you like to get a jump start on filing your 2017 taxes? Your year-end statement contains important dividend information that you may need for tax purposes. Make sure to keep your year-end statement and any other records in a safe place or sign up for eStatements to retrieve them online! It is fast and easy!

- **1099 forms** are only sent out if your savings (Share) interest income is **\$10.00 or more**
- **1098 forms** are only sent out for real estate loans with interest of **\$600.00 or more**

You will find your interest paid for 2017 on December's 2017 statement for tax reporting if you do not receive a 1098.

- * Tax return checks with the names of both parties (filed jointly) will need to be deposited into a Joint Account.
- * If you want your tax return to be directly deposited into your account, you'll need to provide your **account #** and our **routing #** when filing.

Routing # 222381183

Thank You!

We want to extend a huge thank you to our members who donated to the Backpack Fund and/or bought Oliver's Candy Bars this past year! With your help, we were able to donate to the LeRoy Pantry and Help Fund to help many families in our community! We couldn't do it without you!

This month, with help from the New York Credit Union Foundation, we were able to have a brand new sign made and installed! They award small credit unions grants and found this project a worthy one for us! We send them many thanks!
