LeRoy Federal Credit Union

3rd Quarter 2017

“OWNED BY YOU, WORKING FOR YOU.”

For over 50 years Le Roy Federal Credit Union has been serving our members, bringing them a hometown feel with welcoming customer service and feeling like you have control over your finances!

Celebrating People-First Banking

On October 19, LeRoy Federal Credit Union will, along with more than 56,000 credit unions around the world, celebrate International Credit Union Day (ICU Day), and the philosophy and achievements of the credit union movement.

We will have refreshments available throughout the day, along with a raffle and a one-day only loan special! New members are always welcome and all new checking accounts will receive a free 50-pack of checks!

LeRoy Federal Credit Union celebrates ICU Day because it believes the not-for-profit structure and people-first principles of credit unions make them the ideal financial partners for all people. This year's ICU Day theme is "Dreams Thrive Here," a celebration of how credit unions help people achieve their biggest goals in life

The public is welcome to stop by LeRoy Federal Credit Union and celebrate with us a worldwide movement that's made helping people its No. 1 priority for more than 160 years.

Equifax Breach

In regards to Equifax, one of the nation's three major reporting agencies, reports have indicated that the breach occurred between May and July 2017. Our members are advised to do the following:

- monitor credit card and other financial statements for unauthorized activity
- consider placing a credit freeze to help prevent fraudulent accounts from being opened
- consider contacting the credit reporting agencies to place a "fraud alert" on accounts to serve as a warning to creditors that he/she may have been a victim of a data breach; resulting in creditors more closely reviewing any applications for new credit
- review their credit report for free at www.annualcreditreport.com
- Equifax is offering free credit monitoring services for one year – go to www.equifaxsecurity2017.com/enroll to get the monitoring service. You'll be asked to enter your last name and the last six digits of your social security number.
