National
Credit Union
Youth Month
April 2021

If you have been wondering how to empower youth to save for their future, National Credit Union Youth Month is a great opportunity to start or boost your youth initiatives! Join us this April as credit unions across the country focus on educating youth about financial health. This year's kid-friendly theme emphasizes the benefits of wise saving habits using fun dinosaur characters. This celebration is a great time to engage kids at LeRoy Federal Credit Union and within your community to help them develop healthy money habits.

We at LFCU would like to thank the NY Credit Union Foundation for the grant to help with the set-up of our mobile app!
