LeRoy Federal Credit Union

3rd Quarter 2019

“OWNED BY YOU, WORKING FOR YOU.”

For over 60 years, Le Roy Federal Credit Union has been serving our members, bringing them a hometown feel with welcoming customer service and a feeling of control over their finances!

**Local Service.
 Global Reach.**

On **Thursday, Oct. 17**, credit unions in our community and worldwide will come together to celebrate International Credit Union Day® and the role that financial cooperatives play in improving the communities they serve and the lives of their members the world over. This year’s theme is “Local Service. Global Reach.” It speaks to how each credit union serves a local community—and it is because of that local service in communities across the world that we have a global credit union movement that’s now 260 million members strong. ICU Day 2019 is a celebration of the impact credit unions and other financial cooperatives have made—and continue to make for their members. It is also a chance to be thankful for the lives and communities that have been improved by our movement.

Credit unions are unique because they are not-for-profit, democratically controlled, member-owned cooperatives. Credit unions pool their members’ assets to provide low-cost loans and other financial services in the best interest of the members, not to earn shareholder profits. The credit union movement’s cooperative spirit is embraced by members served in more than 89,000 credit unions in 117 countries worldwide.

This year we celebrate 71 years of International Credit Union Day®. We hope everyone will join us in celebrating the credit union difference, our proud cooperative heritage and the wonderful opportunities credit unions and other financial cooperatives offer members of the LeRoy community every day.
