Keep your Year-End Statement for Tax Time

Would you like to get a jump start on filing your 2020 taxes? Your year-end statement contains important dividend information that you may need for tax purposes. Make sure to keep your year-end statement and any other records in a safe place or sign up for e-Statements to retrieve them online! It is fast and easy!

You will find your interest paid for 2020 on December's 2020 statement for tax reporting if you do not receive a 1098.

- **1099 forms** are only sent out if your savings (Share) interest income is **\$10.00 or more**
- **1098 forms** are only sent out for real estate loans with interest of **\$600.00 or more**

- * Tax return checks with the names of both parties (filed jointly) will need to be deposited into a Joint Account.
- * If you want your tax return to be directly deposited into your account, you'll need to provide your **account #** and our **routing #** when filing.

As area COVID-19 cases increase we would like to remind all members to do their part to help minimize the spread.

In an effort to minimize high lobby traffic, we ask that you continue to use our Drive-Thru if possible.

- All members entering the Credit Union will need to wear face covering/ mask.
- Members may be asked for ID when entering lobby.
- All members will need to maintain “social distance” of 6 ft from others.
- Members and staff will conduct business between a Sanitary Shield.
- Hand sanitizer available for **before** and **after** your visit.

We will also continue to process drop box items throughout each day and our online banking is available 24/7.

Our staff will continue to clean and sanitize all “high-touch” surface areas throughout each day.

Thank you for your continued cooperation during these difficult times.

REMINDER: Our new closing time on Thursdays is 5:00 PM.
