Keep your Year-End Statement for Tax Time

Would you like to get a jump start on filing your 2021 taxes?

Your year-end statement contains important dividend information that you may need for tax purposes. Make sure to keep your year-end statement and any other records in a safe place or sign up for e-Statements to retrieve them online! It is fast and easy!

You will find your interest paid for 2021 on December's 2021 statement for tax reporting if you do not receive a 1098.

- **1099 forms** are only sent out if your savings (Share) interest income is **\$10.00 or more**
- **1098 forms** are only sent out for real estate loans with interest of **\$600.00 or more**

* Tax return checks with the names of both parties (filed jointly) will need to be deposited into a Joint Account.

* If you want your tax return to be directly deposited into your account, you'll need to provide your **account #** and our **routing #** when filing.

Routing # 222381183
